

2010 Sustaining Member Program Voluntary Contribution

The Academy's **Sustaining Member Program** plays a vital role in the development and expansion of programs which advance the specialty of dermatology and provides essential revenue for AAD programs.

Sustaining Members are recognized at the following levels:

- President's Circle** (\$5,000 and above)
- Leadership Circle** (\$2,500 - \$4,999)
- Cornerstone** (\$1,000 - \$2,499)
- Patron** (\$250 - \$999)
- Contributor** (up to \$249)

Sustaining Members receive valuable recognition based on their contribution level, including name listings on the Pillars in Giving Recognition Module at the Annual and Summer Academy Meetings, and in print in *Dermatology World* and the *Leaders in Giving Annual Report*.

2010 Sustaining Member Contribution

Enter the amount you would like to designate for each program listed below. If you choose not to designate your gift, it will be divided equally among all four programs.

\$ _____ **Skin Cancer Prevention**
Spreading our potentially life-saving messages of sun safety and early detection of skin cancer

\$ _____ **Public Awareness Programs**
Programs to inform the public about the importance of good skin, hair and nail care habits

\$ _____ **Medical Education Programs**
Developing innovative programs and resources such as Regional Courses, C-PAT and webinars.

\$ _____ **AAD Camp Discovery Endowment**
Offering life-changing summer camp opportunities for children with chronic skin conditions.

\$ _____ **Total Contribution**
